

VAARNG eMS ACTION PLAN

Purpose

The following tables are used to document environmental management system objectives and targets and to track performance compared to established goals/performance indicators.

Objective and Target

Objective/Target ID Number	FY22-1 VAARNG Facilities Energy & Water Resiliency
Objective	Meet statutory requirements in a way to increase efficiency, optimize performance, eliminate unnecessary use of resources, and protect the environment.
Target	Develop strategies to sustain mission for extended loss of power

Criteria for Establishing Objectives and Targets

VANG Environmental Policy	In conformance
Legal and other requirements	E.O. 13990, TAG Policy
Significant environmental aspects	Energy and Water Resiliency
Technological options and limitations	TBD
Financial, operational and mission requirements	Promote timely review of critical energy & water infrastructure projects/programs to ensure sustainability will positively impact Mission objectives
Stakeholders views	Positive

Action Plan

Action Item: 1				
Update TAG Policy to meet requirements of Executive Orders				
Priority/ Schedule	Responsible Personnel	Resources Needed	Financial Needs	Status
30 Sept 22	Jim Rufo	n/a	n/a	Pending
Action Item: 2				
SMR Electric Resiliency Conversion				
Priority/ Schedule	Responsible Personnel	Resources Needed	Financial Needs	Status
28 Feb 22	Mike Alder	n/a	n/a	Pending NGB funding

Training:

- NA

Monitoring and Measurement:

- Report progress at quarterly EQCC meetings.

Performance Tracking

FY21 – Q1 Update
Action Item 1: draft policy under review

Action Item 2: SMR overhead power conversion – 1st phase complete – 2nd phase under construction contract delayed by COVID and availability of materials; phase 3 at NGB for consideration for FY23 funding and has not started design

FY21 – Q2 Update

Action Item 1: draft policy under review

Action Item 2: SMR overhead power conversion – 1st phase complete – 2nd phase under construction contract delayed by COVID and availability of materials; phase 3 at NGB for consideration for FY23 funding and has not started design

FY21 – Q3 & Q4 Joint Meeting Update

Action Item 1:

Action Item 2:

FY21 –

Action Item 1:

Action Item 2:

Document Owner: eMS Coordinator
Document Approver: EQCC

Document Revision History

Revision Date	Nature of Revision	Revision Participants
7 Oct 21	Approved FY22 T&O	EQCC, eMS Coordinator, Energy Manager, Deputy Director DPW
17 Feb 22	Update	EQCC, eMS Coordinator, Deputy Director DPW
