SMR Guest Restrictions

SMR is still considered a construction site with numerous construction vehicles and equipment movement throughout the Post. Therefore, the following restrictions are in place for your safety.

NO fishing or recreational use in Lake Christine.

NO saltwater fishing at the beach without PRIOR approval of SMR Operations (must have valid state fishing license).

NO bicycles, skateboards, golf carts, scooters, etc. are to be used on Post.

NO foot traffic to the beach. Beach access is by car/truck ONLY. Parking is available at the beach.

NOTE: If directed by SMR Post Commander any guests found to be in violation of any of these restrictions by Security or HQ Staff will have their lodging reservation immediately terminated, and all guests associated with their reservation will be required to leave the Post.
