# Welcome to **TRICARE**

TRICARE is the Department of Defense’s premier health care program serving 9.6 million active duty service members, retired service members, National Guard and Reserve members, family members, and survivors worldwide. As a TRICARE beneficiary, you have access to the health care you need wherever you are.

TRICARE brings together military hospitals and clinics with a network of civilian providers to offer you medical, pharmacy, and dental options that meet your changing needs.

TRICARE partners with civilian regional contractors to administer your TRICARE benefit in two U.S. regions (East and West) and one overseas region. Your regional contractor is your go-to resource for information and assistance.

This handbook outlines the TRICARE program options that may be available to you based on who you are, your location, and your entitlement to Medicare.

We stand ready to deliver quality health care to those who protect our country every day—our nation’s finest. We are proud to serve you.

## TRICARE Meets the Minimum Essential Coverage Requirement under the Affordable Care Act

Most TRICARE plans meet the Affordable Care Act requirement for minimum essential coverage.

You can find other health care coverage options at [www.healthcare.gov](http://www.healthcare.gov).

### KEEP YOUR DEERS INFORMATION UP TO DATE

Eligibility for TRICARE is determined by the services and shown in the Defense Enrollment Eligibility Reporting System (DEERS). DEERS is a database of service members and dependents worldwide who are eligible for military benefits.

To use TRICARE, first make sure your DEERS record is up to date at <https://milconnect.dmdc.osd.mil>.

### TRICARE COVERED SERVICES

This handbook describes the health care, dental, and pharmacy options TRICARE offers. These options differ in terms of the providers you see, how you get care, costs, and whether you file claims. Generally, you have the same covered services, including preventive, mental health, maternity, and pharmacy services, with any TRICARE program option. Copayments and/or cost-shares may apply for certain covered services depending on your program option and beneficiary status. For a full list of covered services, go to [www.tricare.mil/coveredservices](http://www.tricare.mil/coveredservices). For costs, go to [www.tricare.mil/costs](http://www.tricare.mil/costs).

# YOUR TRICARE OPTIONS BY SPONSOR STATUS

As a National Guard or Reserve member or family member, your TRICARE health care options depend on your sponsor's status: not activated, pre-activation/activated, deactivated, or retired. Use the following graphic to determine your options based on sponsor status.

## FIND MORE INFORMATION

You can get more information about your TRICARE benefit at [www.tricare.mil/publications](http://www.tricare.mil/publications) or by calling your regional contractor.

Manage your TRICARE benefit through the TRICARE website at [www.tricare.mil](http://www.tricare.mil), where you can get to secure services, see what's covered, find a provider, and much more.

We encourage you to use these resources to take full advantage of the TRICARE programs available to you.

\* Individual Ready Reserve members in a not activated status for 30 days or less don't qualify for health care coverage, but they may purchase TRICARE Dental Program coverage. See the Dental and Vision Options section for more information.

**Calendar Year**

The TRICARE calendar year is Jan. 1–Dec. 31.

TRS and TRR may be purchased by qualified members of the Selected Reserve or Retired Reserve who aren't in an activated status. This status includes qualified service members on inactive duty for training, yearly training, or on active duty for 30 days or less. Selected Reserve and Retired Reserve members who are eligible for or enrolled in the Federal Employees Health Benefits (FEHB) Program don't qualify to purchase TRS or TRR. National Guard and Reserve members called or ordered to active duty for more than 30 days in support of a preplanned mission or contingency operation are covered as active duty and have different options.

If issued delayed-effective-date active duty orders for activations of more than 30 days for a federal preplanned mission or in support of a contingency operation, National Guard and Reserve members and their eligible family members may be eligible for early TRICARE benefits under Early Eligibility (E-ID). E-ID begins on the date the sponsor's orders are issued or 180 days before they report to active duty, whichever is later. Once eligible in DEERS, family members will be automatically enrolled in TRICARE Prime if they live in a PSA. Otherwise, they will be automatically enrolled in TRICARE Select. ### Referral

When your primary care manager (PCM) sends you to another provider for care. If you have TRICARE Prime and see a provider other than your PCM for nonemergency care without a referral, you will pay more. Certain benefits, such as the Comprehensive Autism Care Demonstration, require a referral and continued authorizations.

### TRICARE-Authorized Provider

A provider approved by TRICARE to give health care services to beneficiaries. A provider must be TRICARE-authorized for TRICARE to pay any part of your claim.

### Network Provider

A provider that has agreed to accept the contracted rate as payment in full for covered health care services and files claims for you.

### Non-Network Provider

A provider that doesn't have an agreement with TRICARE and may not file claims for you. There are two types of non-network providers: participating providers and nonparticipating providers.

National Guard and Reserve members who separate from active duty or are deactivated, and in a not activated status, may be eligible to continue TRICARE coverage.

### + TRANSITIONAL ASSISTANCE MANAGEMENT PROGRAM

TAMP offers 180 days of premium-free TRICARE coverage to certain service members and their families so they have ample time to make arrangements for ongoing health care coverage while transitioning to civilian life. For more information, go to [www.tricare.mil/tamp](http://www.tricare.mil/tamp).

## Other TRICARE Options

TRICARE offers other coverage options for those who have eligibility changes, such as children aging out of regular TRICARE coverage or sponsors separating from service. If you have lost all TRICARE eligibility, you may qualify to buy coverage under CHCBP, discussed below.

### + TRANSITIONAL COVERAGE OPTION

#### Continued Health Care Benefit Program

CHCBP is a premium-based health plan managed by Humana Military. Though not a TRICARE program, CHCBP offers continued health coverage (18–36 months) after TRICARE coverage ends. Certain former spouses who haven't remarried before age 55 may qualify for an unlimited duration of coverage. If you qualify, you can purchase CHCBP coverage within 60 days of loss of TRICARE or TAMP coverage, whichever is later. For more information, go to [www.tricare.mil/chcbp](http://www.tricare.mil/chcbp).

**Note:** While in CHCBP, you're not eligible to receive care at a military hospital or clinic, except in a medical emergency.

### + TRICARE YOUNG ADULT

TYA is a premium-based health plan available for purchase by qualified dependents who have aged out of TRICARE. A parent who is a member of the Selected Reserve or Retired Reserve may be a TYA sponsor if he or she is either eligible for premium-free TRICARE or covered by a premium-based TRICARE program (TRS or TRR). Your location and sponsor status determine whether you qualify for TYA Prime and/or TYA Select.

TYA includes medical and pharmacy benefits, but not dental or vision coverage. Coverage, provider choice, and costs for TYA are the same as for TRICARE Prime and TRICARE Select.

You may generally purchase TYA coverage if you're a dependent of a TRICARE-eligible sponsor; unmarried; at least age 21, but not yet age 26; and not otherwise eligible for TRICARE or employer-based coverage. For more information, go to [www.tricare.mil/tya](http://www.tricare.mil/tya).

TRS or TRR coverage begins the day after you lose your prior TRICARE coverage.

## ⊕ SURVIVOR COVERAGE

# QUALIFY FOR AND PURCHASE TRS OR TRR

## HELPFUL TERMS

### Qualifying Life Event

A certain change in your life, such as marriage, birth of a child, or loss of a family member, which may mean different TRICARE options are available to you. A QLE opens a 90-day period for you to make eligible enrollment changes. A QLE for one family member means all family members may make enrollment changes. To learn more, visit [www.tricare.mil/lifeevents](http://www.tricare.mil/lifeevents).

## + CHANGES TO YOUR FAMILY

When you experience a Qualifying Life Event (QLE) that changes your family, such as getting married, having or adopting a child, or losing a family member, you may request changes to your TRS or TRR coverage:

- Update your family information in DEERS to reflect the change. For more information, go to [www.tricare.mil/deers](http://www.tricare.mil/deers).
- To add a family member to your coverage, follow the instructions listed under “Purchase TRICARE Reserve Select or TRICARE Retired Reserve” on the previous page in this handbook. Adding a family member must be done within 90 days of the QLE.

## + NONPAYMENT OF PREMIUMS

If your servicing TRICARE contractor doesn't receive your TRS or TRR premium payment by the end of the current month a premium is due, your coverage may be terminated, and you may be subject to a 12-month lockout.

**Note:** If your TRS or TRR coverage is terminated due to a premium payment not made, call your regional contractor for information about possibly getting your coverage reinstated.

## + CHANGE IN STATUS

When activated for more than 30 days for a federal preplanned mission or in support of a contingency operation, your TRS or TRR coverage automatically ends and unused premiums already paid will be refunded to you if there are no pending claims. The 12-month purchase lockout doesn't apply.

If you want TRS or TRR coverage to continue after your other TRICARE coverage ends, you must qualify for and purchase TRS or TRR coverage again no later than 90 days after the other TRICARE coverage ends.

**Note for TRS members:** Your TRS coverage will also automatically end if you leave the Selected Reserve. You may purchase TRS coverage again if you requalify and a purchase lockout won't apply.

## + CHANGE IN FEDERAL EMPLOYEES HEALTH BENEFITS PROGRAM ELIGIBILITY OR ENROLLMENT

**The sponsor must take action to disenroll from TRS or TRR if he or she becomes eligible for or enrolls in the FEHB Program.** No purchase lockout will go into effect. If you don't end coverage as required, your Reserve component may terminate your coverage and you will be responsible for any health care costs after the effective termination date.

The TRICARE Pharmacy Program provides prescription drugs through military pharmacies, TRICARE Pharmacy Home Delivery, TRICARE retail network pharmacies, and non-network pharmacies. Your options for filling your prescription depend on the type of drug your provider prescribes. Express Scripts, Inc. manages the TRICARE pharmacy benefit for all TRICARE-eligible beneficiaries. If you're in USFHP, you have different pharmacy coverage.

For more information about the TRICARE pharmacy benefit, see the *TRICARE Pharmacy Program Handbook* at [www.tricare.mil/publications](http://www.tricare.mil/publications) or go to [www.tricare.mil/pharmacy](http://www.tricare.mil/pharmacy).
